

Dear Scholarship committee,

I am writing this letter to recommend Osama, a talented and hardworking student from Egypt, for the scholarship offered by the Turkish government for undergraduate study. As a supervisor to Osama, I have been impressed by his dedication to academic excellence and his desire to pursue higher education.

Osama is currently a student at Mansoura University, where he is pursuing a degree in Computer Science. He has consistently demonstrated a strong work ethic and a passion for learning. His academic record is outstanding, and he has earned good grades in all of his courses in his first semester.

I believe that Osama's academic achievements and his strong motivation make him an excellent candidate for the scholarship offered by the Turkish government. He is eager to pursue his undergraduate study in Turkey, a country known for its high-quality education and diverse cultural experiences. I am confident that he will make the most of this opportunity and contribute significantly to the academic community in Turkey.

Furthermore, Osama has proven himself to be a responsible and dependable individual. He takes his commitments seriously and is always willing to lend a helping hand to his peers. He has excellent communication and interpersonal skills and is well-respected by both his professors and his classmates.

In summary, I highly recommend Osama for the scholarship offered by the Turkish government for undergraduate study. I believe that his academic achievements, motivation, and personal qualities make him an outstanding candidate for this opportunity. Please do not hesitate to contact me if you have any further questions.

Sincerely,

Dr: Abdalrhman A. Kandil

A teaching assistant at Mansoura University, Mechanical Power Engineering

Ex-engineer in Edra power station, a subsidiary of CGN China
